<p>Description:</p> <p>Tall man 6” Small man 5-8” Tall man dark hair long fringe down over face, hair colour dark lighter than black long fringe which went to his top lip, looked like the singer Lloyd Cole. No head wear on tall man, early 20’s big build. Identified tall man on ID parade on 02-03-1987 small man early 20’s med build. Cream coloured balaclava, could only see eye holes, later after attack saw small man standing under a street light with blonde hair which was straight. Attended ID parade on 08-12-1986 picked out small man who attacked me.</p> <p>Forensic:</p> <p>No forensic items were available for testing, no rape.</p> <p>Alleged Accomplice:</p> <p>A full account of the attack with good remembered detail is given by Duffy. Mulcahy was very aggressive throughout the attack and Duffy thought that Mulcahy was going to hurt the victim as Mulcahy was saying things to her that made Duffy think Mulcahy was going to hurt her although Duffy can’t remember what was said. Duffy pulled him away and went to the car and fled the area.</p>	<p>I am 5.11”, Duffy 5.4”</p> <p>I have never had a long fringe or black hair as was proved by photos seized by police. The taller man stood face to face with this lady so the victim got a very good look at him.</p> <p>I was on the ID parade and was not picked out.</p> <p>Victim also attended the ID parade in which Duffy was on. The victim had seen a picture of Duffy in the newspaper and despite her description of him as 5.8” blonde hair she picked a 5.4” curly ginger haired person.</p> <p>Nothing I can add is there?</p> <p>Yes a full account is given but it bears little or no resemblance to the victims account, even though Duffy had her statements to read Duffy only picked a few points and tried to twist them to suit him. The taller man is alleged by Duffy to be so aggressive that Duffy is scared and dragged himself away, odd then that the victim says “strangely the taller man was very gentle”.</p>

The victim also states the smaller man wore a cream balaclava and a white/cream denim jacket and saw him standing under a street light close by shortly after the attack. Duffy states he has never owned a cream balaclava or denim jacket and fled the area straight away.
So who did attack this lady?

No fingerprint only evidence is Duffy.
